City Officials Attend Meeting On State Surplus

City Manager R. G. Manley and Mayor Eugene G. Nisbet will attend a meeting of cities in this area at the San Bernardino court house Tuesday morning to discuss the possibility of securing a portion of the $90,000,000 surplus now lying idle in the state treasury.

The meeting, which was called by Senator Ralph Swing, will seek to formulate a plan which can be laid bofore the Senate post-war committee which meets to discuss the possible disposal of the surplus on November 29.

It has been requested by the League of California Cities that $45,000,000 of the surplus be appropriated to cities which are in need of money for various post-war projects. Upland's share, if the money were granted, would amount to $57,000. The city would add a similar amount to make it a total of $114,000 that could be used for the repaving of Euclid avenue and to build an addition to the city's sewage plant.

Mr. Manley, in supporting the policy of the League, told the Upland News on October 19 that the $90,000,000 surplus came about as a result of the war and reflected population increases and the increased volume of business and industry in California."

"Upland, like other local governments, was put to a great additional expense in providing services to the new populations," Mr. Manley declared.

Upland's city manager also stated at that time that "the purpose for which we would use our portion of the money would be of state interest because it will be limited to highways and sanitation."

Two Uplanders Serve In Okinawa Area

Clyde Francisco and Herman Cordes, Jr., who went into the navy together five months ago are in the vicinity of Okinawa, although they are not serving together, according to word received by their parents.

Francisco is on a repair ship and was in Buckner Bay when he wrote recently to his parents, Mr. and Mrs. Ira Francisco, Second avenue.

Cordes, who is serving on a water tender, is the son of Mr. and Mrs. Herman Cordes, West Twentieth street.

Etiwanda School Host to Visitors

The Etiwanda school played host to visiting teachers from Alta Loma, Cucamonga, Central, Bloomington, South Cucamonga, Mt. View and Big Bear last Friday.

County school supervisors who also attended were Mrs. Beulah Paul Wolf, supervisor of rural education; Mrs. Ruth Reed, general supervisor who is in charge of the Etiwanda school; Guy M. Daniels, supervisor of secondary education, and E. M. Hausladen, attendance and physical education supervisor.

During the regular school day the visitors watched the Etiwanda teachers demonstrate the principles of modern education in the class room. At the close of the school day Mrs. Reed led an evaluatory discussion of the work presented in the seventh and eighth grades.

Teachers in Etiwanda and the units they teach are: Mrs. Jane Sheldon Pearson, pre-primer, grade one, airplanes; Miss Lurana Wiedman, grade two, train transportation; Miss Shirley Witz, grade three, airmail; Mrs. Evelyn Bowers, grade four and five, boats and cargo; Miss Lorraine Sax, grade five and six, colonial life; Mrs. Alice Gunn Krehbiel, grade seven and eight, agricultural America.

Board members who visited the school during the day were William A. McKee, president, and Mr. Alfred Utman, clerk.

Teachers of Earstow and Hinkley visited the seventh and eighth grade room today.

I.O.O.F. LEADER DIES

Of interest to members of the I.O.O.F. here is announcement of the death of Lester E. Bertsch, who was the grand master of the state for the lodge. His home was in San Carlos and he passed away after a brief illness, according to Archie J. Robinson, noble grand of the local lodge.

Council Passes Ordinance to Limit Parking

An ordinance limiting parking in Upland's business section to two hours during the hours of 9:30 a. m. to 5:30 p. m., except on Sundays and holidays, was presented to the city council for its first reading last night and unanimously approved.

The area included in the restriction is Second avenue from A street to Arrow highway and on Ninth and C streets from First to Third avenues.

The recommendation for this parking limitation was made by the chamber of commerce at the previous meeting of the council in order to eliminate the crowded conditions in the business section.

According to the ordinance, fines ranging up to $300 or imprisonment in the event of failure to pay the fine could be inflicted on violators of the ordinance. It also provides that illegal parking notices would be attached to cars which exceed the two hour limitations and would designate a time and place where the violator would appear for hearing.

Although not incorporated in the ordinance it was the feeling of the council at its November 2 meeting that first violations should be treated rather lightly, with punishments to increase with each succeeding violation.

The ordinance, which also authorizes the city manager to place signs in the business section designating two hour parking, will have to receive its second reading at the next council meeting before it becomes law.

Establish New Police Bureau

Due to the increasing complexities of local enforcement problems in the city of Upland a new bureau of investigation will be established at the Upland police department tomorrow.

In making the announcement Eugene L. Mueller, police chief, disclosed that Henry A. Younge, a veteran police officer, has been appointed acting detective sergeant and will head the new investigation bureau.

The creation of the new bureau is another step by the local police department to follow up many cases which require plain clothes men to make the investigations.

Mr. Young, who came to Upland from Louisville, Kentucky, has been on the Upland police force since March, 1942. He has been a regular radio patrol officer but has had considerable special training in detective and investigation work. He has also been working on investigations and doing crime work with Chief Mueller. He is 36 years old and the father of two children.

Okey Need for Legion Building

The Upland chapter of the American Legion received the support of the city council last night in its effort to provide a new club house for returning servicemen.

After a private consultation with the Legion building committee, the council went on record favoring a comm nity building to house patriotic organizations. It also stated that the planning commission be advised of the need, to study it and then make its recommendation to the council.

The Legion, which now owns its own building next to the city hall, is seeking to occupy one of the wings of the proposed civic center or to build a new club house of its own if that should be necessary. It feels that with its inevitable expansion because of the many returning veterans larger and more adequate facilities are needed.

Temple Library Observes Book Week

The Sarah Temple Junior library is celebarting National Book week, November 11-17, with special displays of new books. Biographies, mysteries, travel, song books and adventure stories are all represented.

So that parents and teachers may have ample opportunity to inspect these displays, the library is extending Book Week to November 21.

Fresh Fruit Needed For Baskets for III Navy Men

The Navy Mothers of the Chaffey district need help in a very worthy project. They want to remember the patients in Wards B2 and B4 of Unit 2, United States Naval hospital at Corona, with baskets of fruit for a Thanksgiving treat, and they do not have enough fruit.

These men, numbering approximately 100, are tubercular and are bed patients. Furthermore, they have all served overseas, and a little extra kindness on the holiday will make them very happy.

So the Navy Mothers are calling on the kind people of the community to give them some assistance in collecting fruit. Anyone who has any fresh fruit to contribute for these boys is asked to bring it to the home of Mrs. Flora S. Allen, 460 North Third avenue. The Navy Mothers extend their thanks.

Only Half of Bond Quota Is Met In Upland

Upland continued to lag behind in its Victory Loan drive as figures released by Don Palmer, sale manager for the olcal committee, indicated that only one-half of the assigned quota of $235,000 had been met.

Total figures up to date show that sales amount to $132,100, Mr. Palmer reported, which is the slowest response recorded in the history of Upland.

"It appears that people have forgotten that there's a Bond drive on," Mr. Palmer said.

The local committee which is headed by John Shepperson, is making plans to begin an intensive drive to make Uplanders realize the need for Bond purchases at this time.

Upland Only City in County To Meet Victory Chest Quota

Upland is the only incorporated city in the county to meet its quota in the current War Chest and Welfare Fund drive, Raymond E. Doyle, San Bernardino county War Chest vice-chairman, announced today.

"Upland is to be congratulated. It is not only th eonly incorporated city in the county to report 100 per cent but probably one of the few in the United States to make a full quota," he said.

Success in the current drive to raise $10,625 enabled the Chest today to dispense 95 per cent in cash to the California War Chest, and to the local agencies participating including Girl Scouts, Boy Scouts, Upland Junior Welfare League (for dental care of school children), and Sick Baby Fund. Final five per cent will be paid later when pledges are paid, it was explained.

Gratification was expressed by Howard Mason, chairman of the drive, today over the local response.

According to Mr. Doyle, San Bernardino city has raised 87 per cent, with the county total as of November 10, only 64.2 per cent.

The general disappointment in results over the nation of the drive can be traced to the wage earner—whose cut to a 40-hour week at the start of the drive engendered fear and apprehension which could not be surmounted.

Dale Dinger Home On 30-Day Furlough

Dale Dinger, who has served in many war theaters and who has traveled far, is in Upland on a 30-day furlough. He is in the navy as a signalman second class. He has been up and down the coast of Japan in serving the occupation forces.

On the trip to San Francisco his ship carried a large number of dischargees from the Pacific. He is the son of Mr. and Mrs. Roscoe Dinger, 908 Washington boulevard.

Hold Party for "Cap" Mitchell

More than 50 city employees and their wives attended a farewell party at Masonic hall Wednesday night in honor of "Cap" Mitchell who retired this month after 23 years of service with the city of Upland.

Mr. Mitchell, who is the first city employee to retire under the new retirement plan, received a coat and a hat and a billfold from his fellow employees as well as a miniature garbage truck. He has been employed with the sanitation department.

Included in the entertainment for the evening was the famous police "oxtet" comprised of Chief Eugene L. Mueller, Detective Sergeant Henry Younge, and Officers Ralph Murchison, I. J. Linkey, Felix Queseda and Alfred Bolsta. Tweed Stone showed movies of his trip to Mexico and Mrs. Hazel Cassell spoke briefly in honor of Mr. Mitchell.

Presbyterians To Have New Pastor

Having just been discharged as a chaplain in the U. S. marine corps, the Rev. Rufus Oakey has accepted the pastorate of the Upland Presbyterian church. A popular choice of the congregation, Rev. Oakey has appeared in the pulpit of the local church on several occasions.

His family is residing in Jackson, Miss., and Rev. Oakey is enroute there to handle details relative to his transfer from the Southern Presbyterian church to the Riverside Presbytery. Mrs. Oakey and their one son and two daughters have been residing there while Rev. Oakey was in the armed service.

The new Upland pastor has had two previous churches, one pastorate of eight years and another one of seven years.

He will assume active charge of the church here when the official transfer to the local Presbytery is approved.

Upland Gets Share Of License Fees

Distribution of $2,079,978.97 to California cities and counties was announced today by William G. Bonelli, member of the State Board of Equalization for the Fourth district.

This sum represents one-half of the alcoholic beverage license fees for the first six months of 1945.

Of this sum, shared on the basis of the location of licensed premises, $38,327.06 will be distributed in San Bernardino county, where $495 will go to Upland and $16,853.12 to the unincorporated area in the county.

Water System May Be Changed To Build Dam

Honor Driver Woman Again; Her License 3-E-6690

It's a woman driver again who has been selected for the Upland News Honor Roll for good driving.

The second license number to be selected for commendation by the police department is "3 E 6690." This car, a Lincoln sedan, was observed by police on the corner of Euclid avenue and "A" street at 10:30 a. m. yesterday as the woman driver was turning off Euclid into "A" street.

"She made a perfect left hand turn and used extreme caution," the police report noted.

Last Tuesday's driver, who was cited by police for exceptionally fine driving, was Mrs. E. G. Luke, of Red Hill, and her license number, "3 E 7035." Mrs. Luke called the Upland News to express her appreciation for its fairness in recognizing the merits of women drivers. She added, however, that on the night she read about her selection she drove to Claremont and had a flat tire. But as far as the police are concerned she'll still a very outstanding driver.

In naming the honor driver for today police declared that if more people drove like the driver of car "3 E 6690" the number of traffic accidents would be greatly reduced.

Two Fire Hydrants Near San Antonio Approved by Council

A request by San Antonio Heights Volunteer Fire department that the city of Upland place two fire hydrants on their line facing San Antonio was approved by the Upland city council last night.

"I don't believe we can ever have too many fire hydrants," Councilman Harry Wright declared in making the motion to take the action.

"Although San Antonio Heights is not in the city limits, they're practically a part of Upland," Councilman James Goodban added.

City May Have "Youth Center"

"Reasonable assistance" to build a temporary home for youth activities was promised the Coordinating council by the Upland city council last night.

Ed Pierce, who made the request for the Coordinating group, told councilmen that present facilities are inadequate and suggested that the city might provide the land on which a larger building could be built.

Councilmen felt that, in spite of the fact that a "youth center" would be established in Upland's civic center when it was built, the need was urgent enough to require a temporary construction until that time.

Expect Congress Will Provide Millions for Flood Control

The Upland city council last night approved proposed changes in the city's water system so that a flood control dam can be constructed at the mouth of San Antonio canyon by U. S. army engineers.

Rejecting the resolution as drawn by City Attorney Edward E. Gray because it went "all out" for the project, the councilmen called on Mr. Gray to prepare a shorter resolution in which the city would simply approve the project and nothing else.

According to the proposed changes the wells at Twenty-sixth street would be moved to Twenty-fifth street by the means of underground tunnels in order to allow for the building of the dam as outlined by the Army Engineers.

GREAT IMPORTANCE

The Federal government is planning to spend more than $10,000,000 in the building of flood control dams in California and other parts of the west. Although the appropriation has not been made by Congress as yet it is believed that will be done without any difficulty.

Mr. Gray explained to the council that he was presenting a longer resolution than necessary in order to help assure the passage of the appropriation in Congress. He told councilmen that the dam was of great importance to the community and therefore should be encouraged by the city as much as possible.

STICK OUT NECK

While the council agreed with Attorney Gray on the unquestionable need of the dam, it felt that there was no need to "stick out our neck" and wanted to be sure that the control of the water system would be retained by the city. For that reason and in order to protect the city from any future developments, the councilmen voted that a shorter resolution simply approving the project be drawn up and presented at the next council meeting.

For several years the U. S. army engineers have been making surveys relative to construction of the dam in San Antonio canyon to prevent reoccurence of the disastrous flood of nearly 10 years ago. While no definite announcement has been made, the tentative dam site is north of Twenty-sixth street. The dam would extend across the canyon and would be high enough and thick enough to withstand any anticipated torrential downpour occurring in the mountains.

Legion Now Has 100 Members

The largest membership in the history of the Upland chapter of the American Legion has been reached, F. C. Pierce, adjutant, disclosed today.

The membership total stands today at exactly 100, with more members expected as more and more servicemen return to civilian life. The highest number to belong to the Legion in Upland in the past has been 97.

An intensive campaign to continue the increase of membership rolls is being planned by the Upland chapter in an effort to provide a service organization for the returning veterans.

A turkey dinner has been planned for the December 4th meeting to which all veterans are invited to attend.

Crash Damages City Police Car

Turning away from the curb at Tierra drive at Parkside, Melvin F. Jones, of 233 Parkside, ploughed into an Upland police car driven by Officer S. W. Cobb at 7 a. m Wednesday morning.

The right front fender and grill of the police car were smashed in and other parts loosened and dented. Police report the extent of the damages would run to $275.

According to police the car was on its regular patrol run in Parkside when Jones failed to see the car and ran into it as he was pulling away from the curb. Both cars were going east at the time of the accident.

Wednesday was the last day for Officer Cobb on the Upland police force. He had tendered his resignation several days ago.

No More Steam Engines After January 1, P. E. Letter Declares

T. L. Wagenbach, assistant general superintendent of the Pacific Electric company, in a letter to Mayor Eugene G. Nisbet has promised unequivocally that the use of steam engines would be discontinued by the first of the year.

"Our plan was laid, as indicated at your council meeting, to have this work done so that on January 1, with the accomplishment of the locomotive repair and improvement work and the diminished volume of business, we could discontinue the use of steam locomotives," Mr. Wagenbach said.

A score of local residents and property owners protested at the council meeting on November 1 against the continued use of steam engines by the PE through the city of Upland. At that time, C. H. Jones, passenger agent, told the protesters that not a single steam engine would be seen in Upland by the first of the year.

Ralph Barbour, who led the protesting citizens, asked for something in writing to that effect at that time. Mr. Wagenbach's letter is the result of the request.

The complete letter follows:

November 10, 1945

Mr. Eugene G. Nisbet, Mayor
City of Upland,
Calif.

Dear Mr. Nisbet:

With reference to meeting of your Council, Thursday, November 1st, which was attended by Mr. C. H. Jones, our official in that territory. I would also have been in attendance had I not been absent on a much delayed vacation.

I want to take this opportunity to express our appreciation of the splendid, cooperative attitude of the citiens and all of the city officials of Upland during the wartime period and currently.

Our plans, as I have expressed to city officials other than yourself previously, have been to get rid of the steam engines as quickly as possible upon termination of the wartime necessity. The surrender of Japan, as far as hostilities were concerned, was the end of the war but the volume of war materiel, although slackening promptly on the heels of that surrender, continued and in a gradually decreasing volume is still continuing at present. Coupled with this continued volume of business, at the sudden cessation of hostilities with Japan, when we started converting from a wartime to a peacetime basis, we found we could not on such short notice accomplish necessary repairs on electric locomotives we wished to assign to this line, which repairs had been deferred on account of lack of critical materials during the war.

Our plan was laid, as indicated at your Council meeting, to have this work done so that on January 1st, with the accomplishment of the locomotive repair and improvement work and the diminished volume of business, we could discontinue the use of steam locomotives.

You may rest assured that our plans will be carried out as indicated and, in closing, I again want to express our appreciation of your understanding and cooperation.

Yours very truly,
T. L. WAGENBACH,

Nearly 200 Will Attend Chamber Banquet Tuesday

Nearly 200 Upland citizens and civic leaders will attend the Upland chamber of commerce banquet to be held at the Upland Women's club Tuesday night.

The first community banquet to be held by the chamber in almost four years, an outstanding program has been arranged for all those who attend. Very few tickets are still available, although sales will stop when the 200 limit is reached.

William Gilliland, chamber president, will preside at the meeting and act as toastmaster of the banquet. He will also briefly review the past accomplishments of the chamber as well as the activities now being planned.

Dr. George H. Armacost, new president of the University of Redlands, will be the principle speaker. Former head of the education department at William and Mary in Virginia, Dr. Armacost received his master's and doctor's degrees from Columbia university in New York. He is a member of the Phi Delta Pi, national honorary fraternity, and Kappa Delta Pi, national educational academy. He will speak on "Education for International Understanding."

Highlighting the musical portion of the program will be Bob Davis, former Chaffey student, who has appeared in several Broadway musical productions. He played the lead in the 'Student Prince" for nearly two seasons adn had the principal role in the Hollywood production, "Meet the People." He is also known for his radio and concert work. In addition to his musical selections, Mr. Davis will also lead the community singing. Mrs. Earl Johnson will accompany him at the piano.

WILLIAM GILLILAND

The dinner starts at 6:30 p. m. and all those planning to attend are urged to come a few minutes earlier so that the program can begin on time.

Atomic Bomb Is a Secret, Or Is It?

Harold Merchant, chemistry teacher at Chaffey Junior college, isn't sure whether the United States should share the atomic bomb with other nations or not because as he sees it, "it is a secret and it isn't a secret."

Declaring that any chemistry student in school knows the theory of the atom, Mr. Merchant said:

"The principle of the atomic bomb is well known to scientists all over the world. The secret is in the engineering of it and the details of handling the materials after it is obtained.

He stated that he didn't know if there was really any difference whether we kept that secret or not because other nations would eventually solve it anyway.

"However, there may be even more secrets that we don't know about," he added cautiously.

Mr. Merchant also presented another angle to the problem of the atomic secret. He said that if one considered it from the standpoint of rival businesses or corporations, it would be better not to reveal the engineering process which creates the devastating atomic bomb.

"If you had a formula which was beneficial to your business would you share it with your competitor?" he asked. "And since they'll probably find the secret themselves anyway, why not just let them do that?

"To obtain the right kind of uranium which brings about the explosion in the atomic bomb, it is necessary to separate it from two other forms," Mr. Merchant said. These forms are known as U234, U235 and U238. It is U235 which is the explosive one and the separation of it is the actual secret of the atomic bomb, he said.

To illustrate the difficulty in doing that Mr. Merchant said that there is only one atom of U235 mixed in with 140 atoms of U238. He compared it to placing a baseball in the center of a 100 acre field and then trying to hit it with a pistol.

"The velocity has to be slow enough so when it comes to a certain point it will be drawn to it," he said.

Mr. Merchant has been teaching chemistry to Chaffey Junior college students since 1925. He is a graduate of Chaffey High school and received both his bachelor and master's degree from Pomona college. He also attended the California Institute of Technology.

A New Industry for Ontario —and Congratulations—

First of the post-war projects in this area will soon be established in Ontario. The Fletcher Aircraft corporation will consolidate its various plants on a site adjacent to the Ontario municipal air field.

Everyone in the Chaffey district will be affected by the establishment of this outstanding organization here.

A combination of a fine community, a fine airport and an energetic chamber of commerce is responsible for location of the new institution in this area. Ontario is to be congratulated on this improvement. Very likely a good percentage of the several hundred employes at the new industry will be residents of the Upland district.

Parking Ordinance—Not Against the Public But the Merchants—

The city is preparing to adopt an ordinance restricting motorists to parking for only two hours in the business district. The general public should realize the ordinance is not aimed at customers in the business district—but at the merchants themselves, who allow their own cars and their employes' cars to remain for hours in the downtown area.

A Fair Hearing Is Desired—

When did the nation's leaders first realize that Japan was about ready to attack—and was it as much of a surprise as the people believed on December 7, 1941?

Politics plays an important role in the post-war investigations. What the people want, however, is a full and fair Congressional hearing, devoid of politics, to learn where the blame should rest.

Peace has come to the world because Americans and the Allies subdued the Axis powers. The war cost money—and much of the cost is going on.. Money invested in the "Victory" bond drive will go to care for the wounded soldiers and to help make secure forever the victory that was won only a few months ago.

Weber's
BREAD-TIME STORIES

KITCHEN TRICK

IF YOU FIND you made your jam a little too stiff, try stirring in a little boiling water just before serving. Strange thing—but this trick even keeps the color of the jam the same.

HOUSEHOLD HINT

LIPSTICK STAINS are really annoying on your clothes so we want to remind you of the safe and easy way to remove them. Just put a blotter under the stain, then apply Spirits of Camphor.

RECIPE

SWEET-SOUR MEATBALLS

1 lb. grd. roundsteak
1 onion, minced
½ c. catsup
2 tbsp. brown sugar
2 tsp. Worcestershire Sauce
1 egg, beaten
1 tsp. salt
2 tbsp. vinegar
2 tsp. prepared mustard
½ c. water
⅛ tsp. pepper

Mix meat, egg, onion, and salt and pepper thoroughly. Form into small round balls. Mix remaining ingredients and bring to a boil. Add meat balls and simmer for fifteen minutes. Thicken gravy and serve over meat.

More Auto Park Area Need Seen

Looking to the future and planning a "long time" program, a representative group of Upland merchants Wednesday night voted to ask the Upland city planning commission to consider a plan for "off the street" parking.

Most progressive stores in planning buildings also plan to have parking space available in the ratio of two and one-half times as much space for automobiles as there is retail floor space, the group was told at the meeting held in the city council chambers. The businessmen were also advised that sufficient parking space is a major factor in the success of a shopping area.

Examples were cited to emphasize that establishment of convenient auto parking facilities definitely changed the shopping trends.

I. T. McFadden, chairman of the Upland chamber of commerce businessmen's committee, presided at the informal meeting and President William Gilliland of the chamber of commerce also officiated.

No definite recommendation was given as to where the off-the-street parking lots might be established but the planning commission will be asked to make a survey and determine costs. The need of additional parking lots was not questioned.

Attending the meeting besides Mr. McFadden and Mr. Gilliland were Edgar Pierce, Mrs. Paul G. Kottel, Miss Lillian Harnish, Mr. and Mrs. C. Dean Miller, Mrs. Sam B. Rowe, Owen Davis, Glenn M. Atwood, Milton F. Huxtable, Douglas Black, J. W. Potter, Clyde DuVall, L. R. Bradley, Talmadge Burge, Fred Allen, W. F. Tyler, Vernon V. Paine, Amos R. Colborn, Sanford B. Otterness, James E. Goodban and S. D. Owen.

Alta Loma Club Holds Public Road Meeting

A public meeting to discuss the name changes of streets and road conditions in the Cucamonga-Alta Loma district, will be held by the Alta Loma Community club road committee next Friday night, November 23.

Interested parties are asked to attend this meeting when all phases of streets and roads will be discussed. Heading the Community club's road committee is H. O. Hall, who is assisted by G. A. Billings and John G. Stoebe.

To assist in the clarification of names and conditions in the adjoining territories the Cucamonga Service club's president, Clifton Chappell, and his committee on roads will also attend the meeting.

Considerable discussion has been evident in the Cucamonga-Alta Loma area relative to changes in street names and the county planning commission two weeks ago delayed action on the matter until November 30. Appeals have been made by residents of Hermosa avenue against the proposed change in the name to Turner avenue.

Uplander Helps Child War Victim

A 11-year-old Dutch girl, Nelly Lubke, is receiving special care in a children's colony in England because of the kindness of an Upland resident, Mrs. Edna Blue, executive chairman of the Foster Parents' Plan for War Children, disclosed today.

The benefactor is Frank Davis, civic leader and chairman of the city's planning commission. He has become a foster parent for little Nelly so that she can receive a special enriched diet in an effort to restore her back to health. She is one of the many victims of Nazi aggression in Amsterdam.

Foster parents under the plan receive a photograph and a brief history of the child they sponsor and pay $15 a month for the support of the child. An international committee composed of the Earl of Listowell, the Viscount Cecil of Chelwood, Mrs. Harry S. Truman, Mrs. Eleanor Roosevelt, Helen Hayes and Russell Maguire are sponsoring the work of the plan.

More than 30,000 children of all nationalities have been helped by the Foster Parents' plan since its inception eight years ago.

Philharmonic To Play At Claremont College

The program of the Los Angeles Philharmonic orchestra's first appearance this year on the Claremont Colleges' Artist Course Saturday evening, November 24, will include a Brahms Symphony, Bach's Prelude and Fugue in F minor, the Strauss Rosenkavalier Suite, and Delius' Walk to Paradise Garden, the Artist Course committee announced today.

Induct Four Men Into Armed Forces

Four men have been inducted into the armed services to fill Upland's October quota, E. C. Pierce, selective service secretary, announced today.

They are:

William K. Carpenter, 560 Eleventh street, and Robert Verdugo, of Upland, and John Padilla and Jesus C. Fierro, of Cucamonga.

Cub Scout Exhibit In C. of C. Office Features Many Items

In the Upland chamber of commerce office window is another Cub Scout exhibit from Den No. 5.

Articles being exhibited are aeroplanes, soap carvings, Japanese money from Nugata, Japan, postage stamp album, what not shelf, wheelbarrow, stool, boomerang, knife, dagger, boat, and knot board, made by the following cubs: Billy Scinto, William Raymond, Bobby Pace, Marland Sefton, Joe Lomax, George Meza, Rudy Juarez, Ernest Bowser and Jose Adame.

The cubs are now working on more handicraft for the Christmas exhibit which goes in the chamber of commerce December 18. A point of interest in the den is the merit chart system run on a three or four months basis, points being given for department, dues, uniforms, electives and achievements. The purpose of the merit charts is to aid the cubs in earning badges plus winning a nice Scout prize.

The prize winners awarded November 12 were Joe Lomax with a score of 240 points; William Raymond, Bear Cub Scout with 265 points. Gerry Adams, Wolf Cub Scout, with 200 points.

Alfred J. Keller Taken by Death; Funeral Saturday

Alfred J. Keller passed away Wednesday morning at the home of his daughter, Mrs. Harold P. Baird, 1223 Amethyst street, Alta Loma, after an illness of five weeks. He was 80 years of age.

A native of Defiance, Missouri, Mrs. Keller came to California 12 years ago. He was a retired farmer, and had lived in Alta Loma five years, moving here from Long Beach. His wife, Bertie M. Keller, died 11 years ago.

Besides his daughter, Mr. Keller is survived by two sisters, Mrs. John M. Loy of St. Charles, Missouri, and Mrs. Currier Fridley of Forrestel, Missouri; and three brothers, Melvin Keller of Forrestel, Missouri, C. D. Keller of Defiance, Missouri, and R. V. Keller of Chesterfield, Missouri.

Funeral services will be held Saturday afternoon at 2 o'clock at Rose Chapel, Rose Hill cemetery, Whittier, and interment will be in Rose Hill cemetery.

Local friends may call at the Stone Funeral home this afternoon and evening till 9 o'clock.

W. F. Goodban Claimed by Death

Upland lost a pioneer resident early yesterday morning when Wilbur F. Goodban, 665 North San Antonio avenue, passed away at a rest home in Claremont following an illness of several months.

Born October 28, 1854, in New York state, Mr. Goodban came to California and Upland 44 years ago from Fairfield, Iowa, and since that time had made Upland his home, engaging in citrus ranching. He was a member of the Upland Methodist church. His first wife, Iva Goodban, the mother of his children, died in 1912. Ethel R. Goodban, his second wife, passed away in 1941.

Surviving Mr. Goodban are five daughters, Mrs. Ralph H. Marr and Mrs. Ernest C. Mehl, of Upland; Mrs. Harry Chaffee of Compton, Mrs. P. J. Flagg of Inglewood, and Mrs. J. Frownfelter of Alhambra, four sons, James E. Goodban and Frank K. Goodban, of Upland; Wilbur Floyd Goodban and Theron Orr Goodban, both of Los Angeles; 23 grandchildren and 16 great-grandchildren.

Funeral services will be held Saturday afternoon at 2 o'clock in the Upland Methodist church, with Dr. Samuel Hughes, the pastor, officiating. Interment will be in Bellevue cemetery.

Alta Loma Club To Hold Pot-Luck

The Alta Loma Community club will hold a pot-luck dinner with ladies invited, Monday at 7 p. m. in the Alta Loma fire hall.

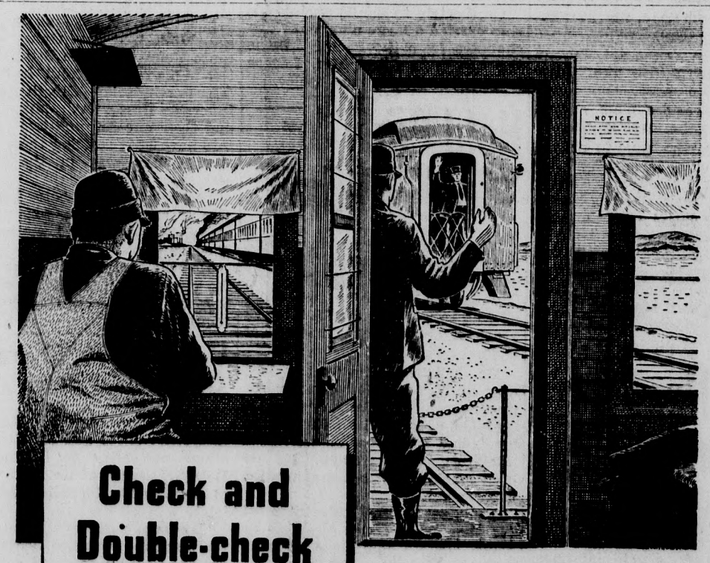

Many things of interest will be discussed concerning the developments to be expected in this district. President Ray Lawyer will officiate.

The main program will be by H. K. Hemingway, of the Karakul Fur farms, Ontario, who will display lovely furs and other fine products.

Check and Double-check

Have you ever noticed that whenever two trains pass, freight or passenger, a trainman will signal, with hand or lantern, to the trainman at the rear of the other train?

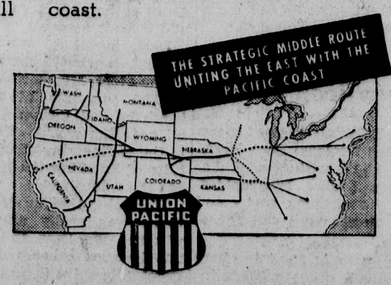

This is not merely a friendly gesture. Each man makes a careful visual inspection of the other's train while it passes. Then he signals that all is well or that he has spotted some defect.

This is just one phase of a continuous "check and double check" system. All Union Pacific trains are thoroughly inspected before leaving terminal points . . . all station agents check each train as it passes. Even track crews, along the right of way, are alert to spot any sign of trouble.

Thus, Union Pacific trains are checked time and time again as they transport passengers and freight over the Strategic Middle Route, uniting the East with the mid-West and the Pacific coast.

Annual Fruit Shower For San Antonio Hospital

Dr. Marcus D. White To Speak at Meeting Monday Afternoon

The annual fruit shower for the hospital will be a part of the November meeting of the Woman's Auxiliary of San Antonio Community hospital Monday afternoon, and all friends are invited to participate in this worthy project and to enjoy the program.

All kinds of home-canned and fresh fruits are needed, also jams and jellies. Commercially canned fruits also will be welcomed. The fruit is used entirely for the patietns, to tempt their appetites and to dress up their trays on special occasions. Mrs. H. A. Ledig is chairman of the committee in charge of the event.

The meeting will be held in the solarium of the new Charles V. Barr pavilion of the hospital, opening at 3 o'clock. Mrs. L. Dudley Phillips, the president, will preside.

Dr. Marcus D. White of the hospital staff, recently discharged after four years service, will be the afternoon speaker and will give some of his experiences in the medical corps of the army, and will tell especially about the hospital ship "Comfort."

MRS. A. W. GALENTINE

Musical Program Entertains Woman's Club Members

Mrs. David Naftel, pianist, Mrs. Carl Baumann, flutist, and Mrs. Abbott Boone, soprano, comprising the Musical Trio of Claremont, presented a delightful program of music for members of the Upland Woman's club at their meeting Tuesday afternoon. Mrs. J. Emery Sargent, program chairman, introduced the entertainers.

Mrs. Boone opened the program by singing the "Jewel Song" from "Faust". This was followed by a flute solo, "Arioso" and "Presto" (Quantz), by Mrs. Baumann; and a piano number, "Ballet' from "Alceste" (Gluck-Saint Saens) by Mrs. Naftel.

In a group of vocal selections, Mrs. Boone sang "Cherubim Song" (Mozart), "Dreaming Time" (Strickland) and "Under the Greenwood Tree" (Buzzi-Peccia).

Mrs. Baumann's flute group included "Gavotte" (Kronke), "A Doll's Lullaby" (Stringfield) and "Minuet and Badinerie" from flute suite by Bach.

Mrs. Naftel gave as piano solos, "Magic Fire Music" (Wagner-Brasslin) and "Butterflies" (Olson). The entertainment was concluded by a trio, "By the Waters of the Minnetonka" (Lieurance).

Lt. Rufus Oakey, recently serving as a chaplain at the naval hospital at Corona and just discharged, spoke briefly about some of his experiences in the Pacific theater of operations.

Opening the meeting, Mrs. Frank Hubbard, read the collect, and Mrs. Marion Maxwell led the salute to the flag and the singing of the national anthem.

Mrs. W. R. Farmer, the president, presided, and three new members were welcomed—Mrs. Ralph J. Wilson, Mrs. C. E. Spies and Miss Katherine Van Osdel.

Luncheon was served at 12:30 o'clock by the November committee headed by Mrs. Lester W. Davis and Mrs. Charles L. Dinger. The tables were beautiful with tall white candles in clusters of red berries and greenery, decorated by Mrs. Charles W. Ayers, Mrs. Jack Dorrity and Mrs. Marion Maxwell.

Advance Bible Class Elects Mrs. W. E. Allen

Mrs. Walter E. Allen was elected president of the Advance Bible class of the Upland Methodist church to succeed Mrs. Julia J. Cutler, during the meeting of the group yesterday in the church parlor.

Other officers chosen are Mrs. Cutler, vice-president; Mrs. Perry Mathis, secretary; Mrs. W. A. Getty, treasurer; Mrs. Ivan W. Jellison, teacher; and Mrs. Warren Mathis and Mrs. A. E. Stempel, assistant teachers.

The members started a lap robe to be given to the Casa Colina home, and during the business session voted to send seven dollars to the Indian Mission in Yuma, Arizona, and the afternoon collection to the Sierra Madre Home as Christmas gifts.

Mrs. F. B. Eckes had charge of the devotions.

A contributed luncheon was served at noon, with Mrs. Harvey Longanecker, Mrs. A. H. Stull and Mrs. John Hook acting as hostesses.

Nine-year-old Tony Harmon entertained with a reading "Nobody Knows What a Boy Is," after which he sang "Jesus Came Into Town." The meeting closed with group singing of familiar hymns.

Present were Dr. and Mrs. Samuel Hughes, Mrs. Hattie L. Irvin, Mrs. F. B. Eckes, Mrs. Warren Mathis, Mrs. Henry Harms, Mrs. Glenn Wright, Mrs. George A. Culver, Mrs. Walter E. Allen, Mrs. John Engle, Mrs. W. A. Getty, Mrs. Ivan W. Jellison, Mrs. Julia J. Cutler, Mrs. Perry Mathis, Miss Sylvia McClair, Miss Elizabeth Fossett and the hostess committee.

Navy Mothers Will Meet Monday Night

Mrs. Walter B. Smith, commander, has announced that the regular meeting of the Navy Mothers club of the Chaffey district will be held Monday evening at 7:30 o'clock in the Ontario Woman's club house.

✿ ✿ ✿

A Carolina wren once constructed its nest largely of hairpins.

Dr. Latimer Talks To Chaffey Wives About China

Dr. James V. Latimer told some of his personal experiences in China to members of the Chaffey Faculty Wives club at their meeting last evening at the home of Mrs. E. V. Wiseman, 380 West Ninth street. He used the rivers of China as a background for his talk. Dr. Latimer spent many years in China, serving as a Y. M. C. A. executive.

Miss Lee Schoeneck, choral instructor at the junior high school, added to the program with a group of piano numbers.

Mrs. Howard R. Stanford, the president, presided over the session.

Refreshments were served as a conclusion to the evening. Assisting Mrs. Wiseman on the hostess committee were Mrs. Harold W. Cook, Mrs. Leonard Mather, Mrs. Harry Yochem, Mrs. Paul Coronel, Mrs. George Cassell, Mrs. Ernest Camfield, Mrs. M. G. Jones, Mrs. Leo Wadsworth and Mrs. D. E. Palmer. About 30 members were present.

✿ ✿ ✿

OES Auxiliary Holds Election Of Officers

Mrs. Thomas H. Settle is the new president of La Estrella Auxiliary, Order of Eastern Star, succeeding Miss Mina Ruesink. Election was held Wednesday when the members were guests of Mrs. Anna K. Anderson at her home in Glendora. Other officers chosen are Mrs. Pearl Roach vice-president, and Mrs. R. H. Thomas, secretary-treasurer.

Eighteen women and five men enjoyed the contributed luncheon served at noon.

During the afternoon the women sewed for the Naval hospital at Corona.

✿ ✿ ✿

Holiday Dinner Will Be Served In I. O. O. F. Hall

Plans for the annual Thanksgiving day dinner were made Wednesday evening when members of the Rebekah circle met in the I. O. O. F. hall. Mrs. Everett Robinson, the president, directed the session.

The contributed dinner will be served in the hall at 2 o'clock on the holiday, and is for all Odd Fellows, Rebekahs and their families.

DUV Tent Members Sew for Hospital

Work for the Naval hospital at Corona kept members of the sewing circle of Mary Brainard tent, Daughters of Union Veterans, busy at their all-day meeting Wednesday at the home of Mrs. Ralph E. Peyton, 811 West Twenty-first street.

A contributed luncheon was enjoyed by the group at the noon hour.

Present were Mrs. Nathan Cohn, tent president, Mrs. Rose Burwell, Mrs. David Allen, Mrs. H. E. Nicholson, Mrs. Pearl Bowen, Mrs. R. H. Smale, Mrs. William M. Stevens, Mrs. Hal R. Halstead, Mrs. A. E. Taylor, Mrs. T. A. Evans, Mrs. Florence E. Stamm, Mrs. Sadie Benner and the hostess.

During the day the members made plans for the Christmas party which they are giving for the ward that they have adopted at the hospital.

✿ ✿ ✿

DAR Executive Board Meets

Announcement of the Southern Council meeting of the Daughters of the American Revolution next Tuesday in Patriotic hall in Los Angeles was made at a meeting of the executive board of San Antonio chapter held yesterday afternoon at the home of Mrs. C. C. Hamilton, Carnelian avenue, Alta Loma. The council meeting will be followed by luncheon and a national defense meeting. Key H. Chang, a Korean, will be the speaker.

Mrs. W. B. Harvey, the regent, conducted the business session.

Tea was served by Mrs. Hamilton to Mrs. Harvey, Mrs. L. R. Nichols, Mrs. M. L. Gottfried, Mrs. J. E. Hays, Mrs. C. A. Mayo, Mrs. J. F. Hamilton, Mrs. H. I. de Berard and Mrs. Everett W. Henry.

Sunday—Junior Hostesses.

Monday—First Baptist Church of Ontario.

Tuesday—First Mennonite Church and Trojan Women.

Wednesday—Ontario Methodist Church.

Thursday—Westminster Presbyterian Church.

Friday—Upland Junior Welfare League.

Saturday—Ontario American Legion Auxiliary.

✿ ✿ ✿

Cucamonga Church Women Prepare For Bazaar

Preparations for their annual fall bazaar to be held in the near future occupied members of the Women's Society of Christian Service of the Cucamonga Community church at an all-day gathering recently at the home of Mrs. Ben Woodward, 418 North Archibald avenue.

At a previous meeting the group worked at the home of the president, Mrs. Ray R. Ford.

About People

McCabe Howe, 425 North Euclid avenue, entered San Antonio Community hospital Wednesday for medical care.

Wanted—by locally employed family, two bedroom furnished or unfurnished house or apartment. Phone 313-161.—Adv. 56-1

Mrs. Ruby Owenby, 155 A street, who underwent major surgery November 6 at San Antonio Community hospital, returned home Wednesday.

Taz H. Cochran, who recently was discharged from the navy, has joined his father-in-law and brother-in-law in operating the Burge shoe repair shop. He and Mrs. Cochran are living at present with her parents, Mr. and Mrs. T. C. Burge, 106 North Twelfth avenue. Mr. Cochran is an experienced finisher in making and repairing shoes.

Mr. and Mrs. B. A. Eckman have returned to their home on East Arrow highway after enjoying a two weeks holiday, which was their first real vacation in the 37 years they have lived in Upland. They spent several days in San Diego visiting Mr. Eckman's cousin, Mrs. August Swanson. After that their vacation included a week at Grand Canyon National park in Arizona, where they stayed at the El Tovar hotel. They report an especially pleasant time there.

SUV Camp Makes Thanksgiving Plans

Tentative plans for a Thanksgiving dinner were made at the monthly meeting of Alois Podrasnik camp, Sons of Union Veterans, Tuesday evening in Memorial hall in Ontario, and L. L. Sturges, A. F. Van Wye, J. C. Emes and Carney Dailey were appointed as a committee. The dinner will be a joint affair with members of the Auxiliary, but the date has not been set.

Commander Earl F. Riggs presided over the session, and it was announced that the meeting of District No. 2 will be held in Ontario December 5.

The Aides of the Auxiliary are sponsoring a benefit party on Tuesday evening, November 20, at Rainbow Ranch, the home of Mrs. Pearl Bowen, in Chino, to which the public is invited.

NEW SERVEL GAS REFRIGERATORS

Yes, they're on the way! Your new Servel Gas Refrigerator will be here soon—very soon. And you can say good-bye—for good—to refrigerator troubles.

For this modern gas refrigerator is different. It freezes *with no moving parts.* A tiny gas flame does the work. That's the secret of Servel's famous silence. There's nothing in the freezing system to get noisy—nothing to wear or need repairs.

You'll be amazed when you see *how convenient* the new models are! They're big and roomy, and the ingenious flexible shelves allow you to arrange food much more easily. They've just-right cold for meat . . . space to keep vegetables garden-fresh . . . and lots of room for frozen foods.

Wait just a little longer. Your silent, trouble-free Servel will bring you the finest refrigeration service you've ever dreamed you'd have.

Stays silent . . . lasts longer

Union Service To Be Thursday

Providing an opportunity for residents of the Upland district to unite in a Thanksgiving worship service, a community service will be held in the Mennonite church at 10 a. m. next Thursday.

The Thanksgiving service is sponsored by the Upland Ministerial Union and the sermon will be delivered by the Rev. C. R. Heisey, minister of the Brethren in Christ church.

"Truly Thankful" will be Rev. Heisey's subject.

Special music will be presented under the direction of Mrs. Rollin Moser.

Annually, members of the Upland churches unite at Thanksgiving time, and this year's service will be the first in peacetime since 1941.

The general public is being invited to attend and a large congregation is anticipated.

Many People Attend Nazarene Services

Many people are hearing Evangelist Nettie Miller at the Upland Nazarene church. Special services under her direction began at the church Wednesday night and a near capacity congregation has been in attendance since then.

The revival services will continue through November 25, according to the pastor, the Rev. W. H. Burton.

309 East "I" Street, Ontario

Dr. Hill Will Speak Nov. 30

Dr. Merton E. Hill, long time Upland resident, will be the speaker at a meeting sponsored by the Men's class of the Methodist church November 30. Teacher of the class for many years, Dr. Hill will speak on "The Church and the Returning Veteran."

A potluck dinner will be served. Special entertainment, including a magician and singers, will be on the program. The outstanding feature of the evening, however, will be Dr. Hill's appearance and address. William Amberson is chairman of the committee in charge.

Too many people lose opportunities without regret.

METHODIST CHURCH

"The Cup of Thanksgiving" will be the sermon topic for the Reverend Samuel Hughes at the Methodist church of Upland Sunday morning.

Dr. Hughes will speak with the thought that this year has been a "cup" which has been full and running over, both of blessing and sacrifice.

At seven o'clock, through the courtesy of the American Bible society, a sound motion picture, "The Book for the World of Tomorrow" and "The Sword of the Spirit," will be presented.

"The film 'The Book for the World of Tomorrow' makes use of every art of the motion pictures to show the importance of the Bible in our civilization. The picture is intensely interesting and is skillfully done. It will give a new concept of the place of the Bible in individual life and that of society," the Reverend Norman Vincent Pearle, of New York, said.

LEAGUE UPHOLDS CANCELLATION OF POMONA GAME

Sport Slants

By STEVE KALAGIAN

Could Upland raise enough money to finance the building of a gymnasium at the Upland junior high school?

Many people don't seem to think so; others are more optimistic and feel that public subscriptions could raise enough money to provide for the erection of such a building.

There is no question that students at the junior high school are in desperate need of a gymnasium, and anything that could be done for them would more than compensate for the cost that may be entailed.

The school is required by law to have a physical education program for every student daily; yet it does not have the facilities to do the job properly. As things stand now students play soccer, basketball, volleyball and even indulge in calisthenics in their regular street clothes and then return to classes without being able to take a shower.

A situation of this sort is not healthful to the children who participate in sports and it has a tendency to discourage an active interest in athletic activities. With so much emphasis being placed on keeping the youth of our nation in good physical shape these days, it is discouraging to find a school which has a high scholastic reputation to be hampered by the complete absence of a gymnasium.

What would a gym cost? A good one is estimated to run pretty close to $100,000, possibly less. Obviously, the present school budget could hardly provide that much money. But Upland citizens interested in their community could

Could Upland raise enough money to build a gym for the boys and girls whose bodies as well as their minds must develop if they are to become beneficial citizens of the community? That is a question that can only be answered by public contributions.

Last-Minute Pass Spells Disaster For Junior High

A completed pass during the last three minutes of the game spelled disaster for the Upland Junior High school football team Tuesday afternoon as they bowed to Emerson Junior High school of Pomona, 12-6.

This was the first game the Uplanders have lost on their home field and only their second defeat of the season.

Emerson went into the lead in the second quarter when they scored on a long drive down the field. But when Gene Hill, left end, blocked an Emerson kick Fred Christensen fell on the ball over the goal line and the score was all tied up, 6-6.

It was an evenly matched contest from then on with both sides fighting hard to score but with no success. But then came the Emerson pass just as it looked like the game would end in a tie and Upland lost, 12-6.

Starting lineup for Upland:

Left end, Jack Hooper; left tackle, Tony Valadez; left guard, Robert Davis; center, Gary Bowers; right guard, Fred Christensen; right tackle, Don Myers; right end, Donald Rafferty; quarterback, Bill Casler; left halfback, Ted Milch; right halfback, Harold Harris, and fullback, Dennis Luby.

Others who played in the game were Gene Hill at left end for Hooper, John Smith at left guard for Davis and Neil Hughes, who played both at quarter and fullback.

You can feel pretty safe about the boy who is considerate of his mother.

Is there someone who wants to start the ball rolling and give let's say $5000 or $10,000 towards it?

There have been other cities who have provided needed buildings in just such a way. Can Upland do it?

Make Changes As Pheasant Season Opens

Governor Earl Warren has signed the act submitted by the State Fish and Game commission which reduces the pheasant season by two days and provides for a reduction in the possession limit.

The action was approved by the Associated Sportsmen of California, which this year sponsored the legislation removing the pheasant tag which formerly cost the sportsmen $1 without any appreciable return.

The entire state will be open to pheasant hunting unlike previous years when some counties have been closed.

Sophs End Year With No Defeats; Beat Cardettes

Chaffey High school sophomore gridders wound up the football season undefeated yesterday as they beat the San Bernardino Cardettes, 14-6.

This was the first time this season that any team has scored on the Chaffey sophomores. Until yesterday none of its opponents had been able to push over a touchdown.

The Chaffey sophomore have to share the league title with the Pomona sophomores, however, since they also have a record of four wins and no defeats.

Panthers Play Pasadena Tonight at Rose Bowl

The Chaffey Panthers will travel to Pasadena tonight to tangle with Pasadena junior college at the Rose Bowl. The kick-off is scheduleed for 7:30 o'clock.

Although the Panthers have won only two games this season the teams seem to be pretty evenly matched and a close game should be in prospect. Chaffey has been hampered by injuries but according to Coach Clarence Calhoun only Don Fifefield will be in no condition to play tonight.

Roland Shamblin, whose 73-yard run against Riverside accounted for the Panthers' second victory of the season, suffered no obvious injuries from the game and should be in shape to cause Pasadena quite a bit of trouble. He had been out of two previous games because an of injured heel.

MAYBE TOSS-UP

Barring too many injuries during the game, the contest seems to be pretty much of a toss-up. But if too many Panthers get hurt, Coach Calhoun doesn't have the reserves with which to replace them, and it could be turned into a rout for Pasadena.

Because of these very unfavorable factors which Chaffey Junior college has to contend with they have been unable to play consistent football every week. Their performance was a [illegible] dependent on the extent of their injuries.

NEW MEN

Pasadena, although considered a stronger team, didn't fare much better against Fullerton several weeks ago than Chaffey did. Fullerton beat Chaffey 26-13 and Pasadena, 19-12.

Two new men have been added to the Panther squad this week as a result of mid-semester registrations. Both of them returning veterans, they are Dick Mayhew, who may draw the starting assignment at center tonight, and Wellesle Boling, tackle, who probably will also be used tonight.

Starting lineup for the Panthers tonight:

L. E.—Kelly Rightmere.
L. T.—Hugh Cocke.
L. G.—Richard Miller.
C. —Dick Mayhew.
R. T.—Charles Adams or Boling.
R. E.—John Daly.
Q. B.—Eddie Miller.
L. H.—Roy Starke.
R. H.—Roland Shamblin.
F. B.—John Martin.

Rules Pomona Conference Champs If Tied With Chaffey

By a vote of five to one, the Citrus Belt league Wednesday night stuck fast to its vandalism ruling of two years ago and ruled that the Chaffey-Pomona game cannot be played unless the culprits who painted the Pomona football field with oil are caught by 7:30 tonight.

It also decided that in the event that Pomona and Chaffey are tied for first place at the end of the season that Pomona would be considered the league champion. Since Pomona is assured of a victory tonight against Redlands, this decision was tantamount to handing the Citrus league title to the Red Devils.

This step was taken because under the league ruling it was assumed that Chaffey was responsible for the "vandalism," although there is no definite evidence to that effect at the present time.

The motion as passed by the coaches and principals reads:

"Chaffey and Pomona be allowed to play their game, providing the culprits are apprehended and adjustments satisfactory to both schools are made prior to 7:30 p. m., Friday, November 16."

Several league members agreed that the vandalism provision as it stood now might be a bad rule but said that it would hurt the prestige of the league to rescind its ruling the first time it had its test.

"I think taking the long view we would be in grief if we backed down the first time we had a violation of it," O. E. Snyder, vice-principal at Chaffey, declared.

Archie Nisbet, head football coach at Pomona, which was the only school to vote for reconsideration of the cancelled game said:

"If the rule is no good, we should be big enough to admit it and change it. Chaffey and Pomona have both suffered enough as it is, so why can't the rule be changed?"

"To suspend the rule now would do away any good that the rule would have done," George Kibby, Redlands principal, returned.

Muggs Mitchell, Chaffey coach, reminded league members that, "you can't have too many games cancelled and still have a league."

Webster Hall, vice-principal at San Bernardino, said that while the rule was bad in his opinion, he felt that it should stand for the present football season.

Coaches and principals from Chaffey, Pomona, San Bernardino, Riverside, Colton and Redlands attended the meeting which was held at Colton High school.

IT WAS AN UPHILL PULL, BUT...

the largest volume of fruit in the history of this modern cooperative was marketed well and successfully.

Despite shortages of labor and materials—despite the unprecedented volume of small sizes, Mutual Orange Distributors accomplished the seemingly impossible. Through the complete cooperation of growers, packing houses, processing plants, sales department and management, *the distribution of FRESH FRUIT and CANNED FRUIT was so balanced that the entire crop was moved advantageously.*

It will pay *you* to investigate a cooperative proved able to handle the quick changes in distribution methods so likely to be needed in the postwar period.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma, Cucamonga, and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.

Thanksgiving Theme for Lions

Unmarred by commercialism and a time when people are more thankful and repentant, Thanksgiving is the most religious of all national holidays, the Rev. Earl Salzman said at the meeting of the Upland Lions club at noon yesterday. He spoke at the club session in the Upland Woman's club house.

He called upon his fellow club members to "think, and if you think you cannot help but be thankful." He listed many things for which people should be thankful and added: "If people would only stop to think and realize their blessings they would approach the Thanksgiving season with one of humbleness and thankfulness."

Pastor of the Mennonite church, the Rev. Mr. Salzman spoke informally, yet frankly and fervently about the many blessings enjoyed now "without us doing much about it." "We are living on charity," he continued, "the result of the hard work of many people in the past, who have created for us many blessings now enjoyed."

The speaker listed as friends one of the most valuable blessings any person can enjoy.

Rev. Salzman was introduced by Ernest H. Gibson, program chairman with C. Ernest Olson, president, in charge of the meeting.

Lt. Francis Wilson, who has returned home after service in Europe, was a guest and spoke briefly.

Okeh Proposed Zoning Changes

The Upland city council last night gave its approval to the zoning changes recommended by the planning commission and instructed the city attorney to draw up an ordinance incorporating these changes into law.

Before taking this step the council listened to several residents who attended the meeting to register some complaints and to ask for clarification of some of the changes. Frank Davis, chairman of the planning commission, and Otto Christensen, commission member, were also present and explained the reasons for some of the changes.

Of the 14 changes proposed eight were approved by the planning commission and will be included in the ordinance. They are:

Propositions 1, 2, 7, 8, 9, 10, 11, and 13.

Propositions 6 and 12 were tabled while 3, 4, 5, and 14 were rejected.

SOME OBJECTIONS

All of the proposed changes were printed in the Upland News on November 2 on page 5 of section 2.

Several of the proposed changes drew fire from residents who were at the meeting. The change from M-1-B light manufacturing to R-3 Residence, all territory along both sides of the Atchison, Topeka and Santa Fe railway right-of-way from the east line of lots 617 and 630 Ontario colony lands to Euclid avenue was questioned by one resident.

"We have a packing house on south side of the Santa Fe and it would be a great inconvenience to us," he said.

NOT GARVEY

Mr. Davis explained to him that the commission did not intend to disturb present packing houses. He pointed out that there is plenty of room for expansion of industry east of town but that the area west of Palm was being placed out of the industrial zone.

Another complaint came from the owner of a service station on the corner of Foothill boulevard and Benson because proposition two places all businesses on Foothill boulevard in the non-conforming area.

Explaining that there would be some variance in the cases of businesses already established on Foothill boulevard, Mr. Davis said: "We don't want Foothill boulevard to become another Garvey boulevard with a speed limit of 25 miles per hour."

VARIANCE RULE

He also declared that according to surveys made all over the country Upland was overzoned as far as business sections were concerned. He said that he had it on pretty good authority that Foothill boulevard might become a freeway and that business places would have to go at that time anyway.

Proposal four which sought to change an area on Arrow highway from residential to commercial and which was rejected by the planning commission brought some discussion when a citizen said he wanted to place a small underground gasoline tank near his home. The council felt that he could seek relief in this situation under the variance and hardship rule provided in the zoning changes.

Mrs. J. I. Haldeman Claimed by Death; Funeral Monday

Mrs. Mae Haldeman, wife of Jesse I. Haldeman, passed away yesterday morning at the family home, 536 North Third avenue, after a long illness.

A native of Abilene, Kansas, Mrs. Haldeman had lived in Upland for the past 11 years, coming here from Abilene. She was a member of the Upland Brethren in Christ church.

Surviving besides the husband are a son, Abner B. Haldeman, of Upland; two sisters, Miss Maggie Eshelman and Miss Bertha Eshelman, both of Abilene, Kansas; two brothers, John Eshelman of Abilene and Harvey Eshelman of Pratt, Kansas; and three grandchildren.

Funeral services for Mrs. Haldeman will be held Monday afternoon at 3 o'clock in the Brethren in Christ church, with the Rev. C. R. Heisey, pastor, and the Rev. Alvin C. Burkholder officiating. Interment will be in Bellevue cemetery.

The Stone funeral home is in charge of arrangements.

Funeral Services For Robert Minor This Morning

Last rites were held this morning at 11 o'clock at the Stone Funeral home for Robert Jerold Minor, only son of Mr. and Mrs. Herbert T. Minor, 412 East Foothill boulevard, Cucamonga, who passed away Wednesday morning at San Antonio Community hospital after a brief illness with a rheumatic heart condition.

Born in Los Angeles July 29, 1931, the lad had spent most of his life in the Ontario-Cucamonga district. He was a freshman at Chaffey high school. Surviving besides his parents are his grandmother, Mrs. Mary W. Minor of Cucamonga, and his maternal grandparents, Mr. and Mrs. Charles E. Roberts of Upland.

The Rev. Arthur Schuck, pastor of the Cucamonga Community church, conducted the service, and interment was in Bellevue cemetery.

DISCHARGED

Tommy F. Grissom, of 363 East Arrow highway, has received his honorable discharge from the Navy at the Naval Personnel separation center, Shoemaker.

Death Takes Ralph L. Ricci;

Ralph Lawrence Ricci, vice-president and manager of the K. & R. Fruit Products, Inc., passed away suddenly Wednesday afternoon at his home, 861 East Ninth street, an hour after his return from San Antonio Community hospital, where he had undergone an appendectomy ten days earlier. His death was due to pulmonary embolism.

Mr. Ricci, who was 36 years of age, was born in Brighton, Colorado. He came to California and Upland 16 years ago. He is survived by his wife, Georgia Ricci; two sons, Bill Ricci and John Ricci, both at home; two sisters, Mrs. Felix Castelline and Miss Lucy Ricci, both of Upland, and one brother, Jack Ricci, of Ontario.

Rosary will be said for Mr. Ricci Sunday evening at 7:30 o'clock at the Stone funeral home, 329 East Ninth street. Funeral rites will be conducted Monday morning at 9 o'clock at St. George's Catholic church in Ontario, with the Rt. Rev. Monsignor John Hegarty officiating. Interment will be in Bellevue cemetery.

Speaker Praises Spirit of San Francisco Conference

Declaring that the United Nations conference at San Francisco was the "biggest thing that happened in this war," Tweed Stone, program chairman and civic leader, reviewed the principles and ideals behind the United Nations charter at the Rotary club meeting Wednesday afternoon.

"Men at the San Francisco conference got to know each other," Mr. Stone declared. "Men of all colors and creeds sat around a conference table and got to know each other. If nothing else had been accomplished this would have been enough."

Mr. Stone went on to illustrate his talk with several quotations from Will Rogers, Clement Atlee and General Eisenhower. He said that this was the first time in the world's history that the idea of peace was the background while a war was still raging in all corners of the globe.

"The killing of Hitler and Tojo does not bring peace," Mr. Stone declared. "To kill those two men would not bring war to a conclusion."

Then drawing from the speech of Prime Minister Atlee from the day before, he reiterated several times that "Christian principles are the only hope for the world today."

Like Will Rogers, Mr. Stone said he had never known a person that he didn't like. By the same token he declared, "If we now a nation we can't help but like it."

Comparing the Rotary wheel to a "wheel of peace," he stated that in order to deal with a company or a nation you must first know the honesty and integrity of the man you are dealing with.

"Unless the conferees know the extent of the honesty and integrity of each other the wheel of peace will not operate," he declared.

Mr. Stone's speech was made to commemorate United Nations charter week which was observed in all Rotary clubs throughout the world.

Mr. Stone outlined the four major aims of the peace program as outlined by the San Francisco conference:

(1) To maintain international peace and security; (2) to develop friendly relations among nations; (3) to promote international cooperation; and (4) to establish a center for harmonized action among the nations.

He explained that the "parasitical strutt" on a plane does not help it fly or make it more beautiful but it does make it stronger. Rotary International is not exactly such a "strutt" in the peace plan, he said, because it is a fine stabilizer and has set aside this week for clubs all over the world to consider our part in this program and our duty to our land.

Four guests, three new members and 12 visiting Rotarians attended the Rotary meeting. The guests were Captain Virgil W. Holden of Upland, Everet Carter, American Legion Commander, Bill De Young, Chaffey High school student president, and Stephen C. Kalagian, news editor of the Upland News. James Goodban, Basil Harris and Daniel W. Mahar were the new members.

Air pressure against a plane increases four times each time the speed of the plane is doubled.

Thanksgiving

America this year approaches Thanksgiving with more for which to be thankful than ever before—thankful to the men and women who made it possible for us to once again enjoy a peaceful Thanksgiving, thankful that many of our loved ones are at home to observe Thanksgiving with us, thankful that the fighting is over for those who are not yet able to be at home, and, too, thankful that we, in these great United States, can sit around a Thanksgiving table laden with traditional Thanksgiving foods.

PUMPKIN PIE

1-3 cup light brown sugar
2 teaspoons flour
1-3 teaspoon salt
1½ teaspoons prepared pumpkin pie spice*
1 cup pumpkin, cooked or canned
1 cup Pet Milk
1 slightly-beaten egg
1½ tablespoons cooking molasses

Turn on oven; set at very hot (450 degrees F.). Mix together brown sugar, flour, salt and pumpkin pie spice. Add pumpkin, milk, beaten egg and molasses. Stir until smooth. Pour into deep 7-inch pie pan lined with unbaked pastry. Bake on center shelf of over 15 min., then reduce to slow (325 degrees F.) and bake about 25 min., or until firm. Cool before serving. Serves four.

*—¾ teasp. cinnamon ¼ teasp. nutmeg, 1-3 teasp. ginger and 1-8 teasp. cloves can replace the pie spice.

FOR SQUASH PIE—Follow recipe for Pumpkin Pie, substituting cooked winter squash, thoroughly mashed, for the pumpkin.
